Contents 27d

Why I made this issue 27d? Well... cause I felt like it! It's plain simple just more Bomber Magazine for those who like to groove. Times as digital as these ask for solutions like this. 27d is an extra, a supplement to issue 27. No 2nd choice but more of the good stuff. The problem with making a magazine is that it has to stop somewhere and it did stop after 27 went to print. But it ain't over till the fat lady sings... Still we got heaps of good stuff in stock, some of it archived for issue 28 and some is shown in here. Hope you like it. Hit me back at info@bombermagazine.nl

This section contains both interrailers and guys who rather stay home to terrorize their own hood.

Do you hit subways on a regular bases? Nobody still knows what you did last summer? Ever been to exotic places but only showed your swimsuit pictures to friends whilst the painted subway flicks are lost in your urge to stay hardcore undercover? Get yourself and your shit together and send a mail to info@bombermegazine.nl.
