KOUŘENÍ ZAKAZANO

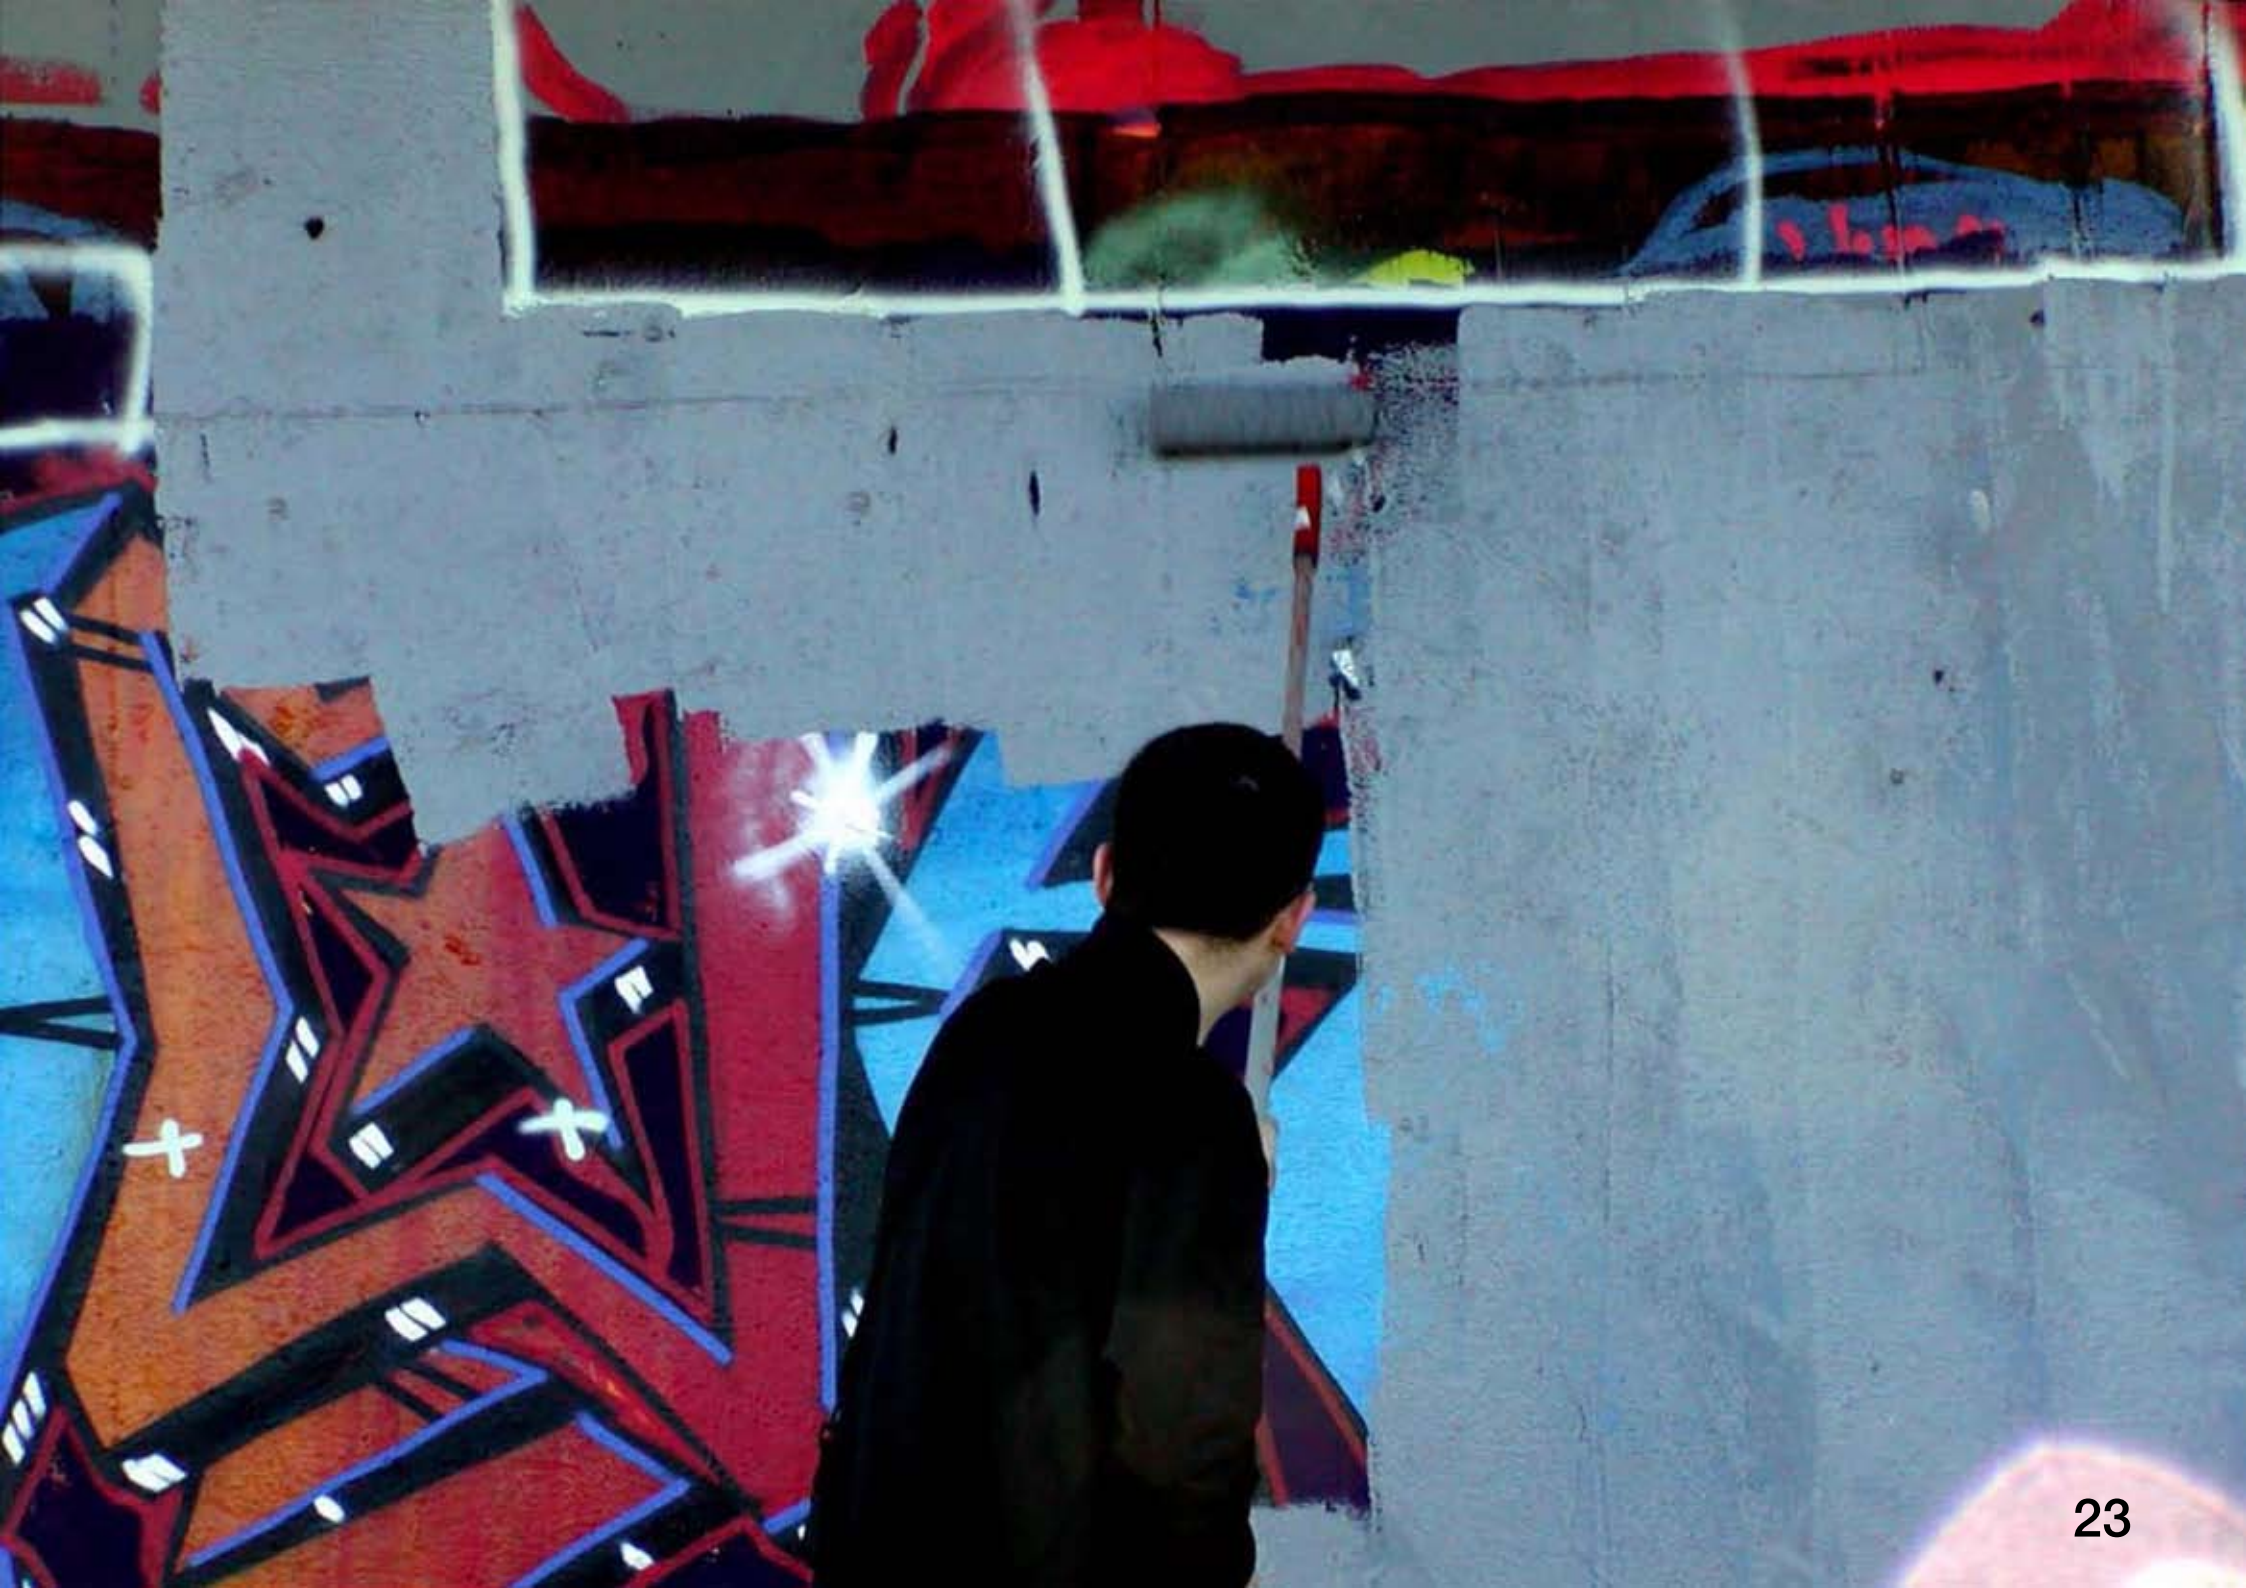

A public information board with various notices and advertisements. The board is divided into several sections with different colored backgrounds (yellow, white, red). The text is mostly illegible due to the image quality and distance.

Handwritten graffiti in white paint on the glass panel. The graffiti includes the word "HUNK" in a stylized font, followed by "HOCKEY" in a more complex, swirling script. To the right, there is a circular symbol containing the number "1".
