# CONTRIBUTORS

**MARLEY KATE** Born and raised in New York City, Marley Kate graduated from NYU and went on to study photography at the School of Visual Arts. With a focus on fashion and beauty, Marley is able to capture a sense of playfulness and energy in her photos. Her style is luscious and ethereal. Her dream is lofty yet simple: to shoot fashion for the magazines, websites and brands she admires most.

[marleykate.com](http://marleykate.com)

**ELLEN JONG** was awarded as a Surface Magazine avantgardian in 2002. Shooting for magazines and advertising agencies became frequent. In 2005 powerHouse Books picked up her first monograph of fine art photographs, pees on earth, that Jong was inspired to focus more on other fine art photography projects. She self published her second photography monograph Getting to Know My Husband's Cock in 2010. Jong's work also manifests in video, light and mixed media installation.

**MAELLE ANDRE** is a fashion photographer from Belgium, and studied graphic design before photography. Her clients vary, but the fashion and beauty industry is her favorite. Recently she's started working as a music video maker. Her work is colorful and constantly changing. She's passionate about life as well as her job, and she always does what she wants to do, never regretting anything. Things that make her day: her french bulldog, a caramel macchiato, friends and post-rock music.

**EVA KOLENKO** Advertising and editorial photographer Eva Kolenko enjoys a life in constant motion, bouncing between San Francisco and LA. In addition to shooting for a diverse collection of clients, she insists on continually shooting personal work to keep the imagery fresh and the love affair alive. When she isn't shooting, you will most likely find her immersed in water, spooning with her pit bull Bub, pretending to be a foodie, or riding her moto through the country side.

**GREG MANIS** was born and raised in Northwest Georgia and his photos tell the tale of his upbringing with a raw yet romantic passion. Manis came to New York City after graduating from Savannah College of Art & Design, and is now making a name for himself. He has had his work published in books, various magazines (such as V and Nylon), and shown in galleries around the world.

**ALEXIS GROSS** is a photographer, artist, and curator. Feisty, private, eccentric, and amused by records, marijuana, motorcycles, skateboarding and older men, Alexis is a rare bird. Her connection to the skate industry has provided fodder for a portfolio of unique and absorbing imagery. Lifestyle and portraits showcase a fresh and exciting perspective. She has been featured in: *Color, Wow, Thrasher, Foam, Urban Outfitters, Complex, and Monster Children* and *COMUNE//Drop City*.
