KRISTINA WILSON is an NYC based fashion and celebrity photographer. Originally from Springfield, VA, Wilson went to NYU's famed Tisch School of the Arts and continued on to get her MFA from UIAH in Helsinki, Finland. Wilson and model Dani are old friends so the mood was really relaxed on set, making it easy to create great, sexy images. Some of Wilson's clients include *Inked*, *GQ Japan*, *Madame Figaro*, *WWD* and *L'Officiel Korea*. She likes cats, the library, and tattoos!

RUAN VAN DER SANDE moved to London in 2003, and soon after the South African native taught himself photography. Photography quickly developed into a passion and before long Ruan had launched RVDS Photography to showcase his lingerie, swimwear, and editorial work. Taking inspiration from his favorite photographers, he has built up a signature style that is becoming internationally recognized. He has been featured on the pages of *Harper's Bazaar* and *Lingerie Insight*, and photographed for brands G-Star, ROKSTARR, and Hedonia. rvds.co.uk

CAMRAFACE is an LA based photographer that plays both sides of the lens and never leaves home without her camera—hence the name. She acts as a behind-the-scenes photographer for celebrities, like Snoop Dogg and Bridget Blonde, which has taught her how to run and gun with the best of them. Tattooed with a "Bee +" tattoo she is literally a hands-on photographer who has turned her tattoo into a watermark. Until now Camraface has shied away from publishing her work, and *Inked Girls* is thrilled to be the first! camraface.com

MICHAEL STONIS is a photographer and artist from Southern California. His creative path began in design and advertising where he learned photography in order to aid his design work. His work encompasses portraits, fashion, and advertising, and his style is intimate, natural and free-spirited. Stonis has been published in *Blu*, *Beverly Hills Lifestyle*, and *Cinder* magazines and has photographed many musicians including Tyga and Hot Chelle Rae. michaelstonis.com

COLLEEN DURKIN is a photographer living and working in Chicago where you can find her riding motorcycles throughout the Windy City. She has an unhealthy fascination with all things miniature. She also recently documented *The Gathering of the Juggalos* and lived to tell the tale. Durkin has been published in *Nylon*, *Nylon Guys*, *Bambi*, *Flaunt*, and *Internazionale* magazines to name a few, and some of her advertising clients include Nike, Casio, QVC and Curl Dutchess. colleendurkin.com

CHRIS CLINTON is a Brooklyn-based filmmaker and photographer from the west coast where he grew up an avid surfer and skateboarder. He became a photographer on his 12th birthday when his mom gave him his first camera. His work has graced the pages of *Nylon*, *Cosmopolitan*, *Dazed and Confused*, and *Complex* magazines. Commercial clients include Tokyo 5 Jeans and Citibank but he still finds time for his personal projects, cooking, and jumping rope. chrisclintonphoto.com
