CONTRIBUTORS

GRAHAM DUNN is based in Los Angeles, where he has a plethora of broken cameras, a diabolical pool, a lovely wife, and a soon-to-be-born son. He has shot for *Cake*, *Foam*, and American Apparel. In his spare time he enjoys catfish noodling, building Shaker furniture, wearing boat shoes (on and off of boats), and reading brochures. Dunn is inspired by *Prayer of the Rollerboys*, childhood adventures in the backyard, and that weird thing that happens when you eat too much Fun Dip. grahamdunnphoto.com

MAIA HARMS was born and raised in the hard streets of Flint, MI, and immersed herself in the punk, skate, and snowboarding scenes. She found her passion in photography, documenting shows, skating, and snowboarding. She dreams of shooting an ad campaign strictly in film and Polaroid. She's a coffee addict, a fan of Instagram (@missharms), comic books, and video games. Harms splits her time between NY and LA, and has shot for *SPIN*, *Angeleno*, *Refinery29*, and *Juicy Couture* to name a few. maiaharms.com

ERIC JUKELEVICS was born just outside of Los Angeles, and now resides just outside of Manhattan. Eric will soon publish *Illuminated Ink*, a photo book featuring skin as a canvas for tattoos and highlighting the work of some of the best American tattoo artists. He began his career as a photojournalist but now specializes in portraits for commercial clients like American Airlines and Redken. He trains in Thai boxing, and has been told that he's "friendlier than he looks." emjphotography.com

RUAN VAN DER SANDE moved to London in 2003, and soon after the South African native taught himself photography. It quickly developed into a passion and before long Ruan had launched RVDS Photography to showcase his lingerie, swimwear, and editorial work. Ruan has been featured on the pages of *Harper's Bazaar* and *Lingerie Insight*, and photographed for brands G-Star, ROKSTARR, and Hedonia. rvds.co.uk

CHRIS CLINTON is a Brooklyn-based filmmaker and photographer from the west coast where he grew up an avid surfer and skateboarder. He became a photographer on his 12th birthday when his mom gave him his first camera. His work has graced the pages of *Nylon*, *Cosmopolitan*, *Dazed and Confused*, and *Complex* magazines. Commercial clients include Tokyo 5 Jeans and Citibank but he still finds time for his personal projects, cooking, and jumping rope. chrisclintonphoto.com

KELLY TURSO first picked up a camera in the '90s to photograph skateboarders. She later acquired her BFA in photography from the University of the Arts in Philadelphia, and she now lives in New York City documenting her colorful life and all the people around her. Her images reflect truth and love which continue to inspire her to keep shooting. She has worked for brands like Converse, Yahoo!, and Brooklyn Industries, as well as Hotel Chantelle, *Inked*, and *215 Magazine*. kellyturso.com
