# CONTRIBUTORS

**YANN BEAN** is a native of France who now splits his time between Paris, New York, and Los Angeles. His long list of clients include Tom Felton, Sebastian Stan, Jim Parrack, Harry Shum Jr., Alden Ehrenreich, Louie Anderson, Steven Yeun, and Diego Klattenhoff among others. He has also been a contributing editor for *Prestige Indonesia*, *JOY Indonesia*, and *DA MAN* magazine online, and his work has appeared in *The New York Times* and *Interview* magazine. [yannbean.bellafolio.com](http://yannbean.bellafolio.com)

**MAELLE ANDRE** is a fashion photographer from Belgium, and studied graphic design before photography. Her clients vary, but the fashion and beauty industry is her favorite. Recently she's started working as a music video maker. Her work is colorful and constantly changing. She's passionate about life as well as her job, and she always does what she wants to do, never regretting anything. Things that make her day: her french bulldog, a caramel macchiato, friends and post-rock music. [maelleandre.com](http://maelleandre.com)

Growing up in the Bay Area, California, **ARIS JEROME** got his start at age 19 making music videos with the local artists. Four years later he is based in LA and has shot for artists such as Kreyshaw, E-40, Lil B, Dev, Yuna, Carmen Electra, and Omarion. He encourages you to find art. "Technology makes it easier for people to label themselves as a photographer. You just got to go through a lot more trash in order to find gold." [arisjerome.tumblr.com](http://arisjerome.tumblr.com)

**CHRIS CLINTON** is a Brooklyn-based filmmaker and photographer from the west coast where he grew up an avid surfer and skateboarder. Clinton became a photographer on his 12th birthday when his mom gave him his first camera. His work has graced the pages of *Nylon*, *Cosmopolitan*, *Dazed and Confused*, and *Complex* magazines. Commercial clients include Tokyo 5 Jeans and Citibank but he still finds time for his personal projects, cooking, and jumping rope. [chrisclintonphoto.com](http://chrisclintonphoto.com)

**KELLY TURSO** first picked up a camera in the '90s to photograph skateboarders. She later acquired her BFA in photography from the University of the Arts in Philadelphia, and she now lives in New York City documenting her colorful life and all the people around her. Her images reflect truth and love which continue to inspire her to keep shooting. She has worked for brands like Converse, Yahoo!, and Brooklyn Industries, as well as Hotel Chantelle, *Inked*, and *215 Magazine*. [kellyturso.com](http://kellyturso.com)

**IAN MADDOX** is a California native, self-professed movie maven, tattoo enthusiast, and connoisseur of cheap to marginally less cheap wines, he lives in Los Angeles with his incongruously beautiful wife, somewhat pathological dog, and quasi-adopted feral cat, Ichabod. When Maddox is not out taking pictures, he's working on pictures he's already taken, thinking about pictures he's not taken yet, or making his famous guacamole, which so far is the only art form he's truly mastered.
