Originally from Atlanta, **DANIELLE DEFOE** studied at Central Saint Martin's in London and obtained a BFA from The School of The Art Institute of Chicago. She contributes to national and international publications, shoots ad campaigns, and participates in fine art shows. She loves portraits and photographs that tell a story. DeFoe equally likes to play the role in front of the camera as well as behind. She has been a subject for several renowned photographers, books, and international publications. Her work can best be described as "the grime and the glamour." danielledefoe.com

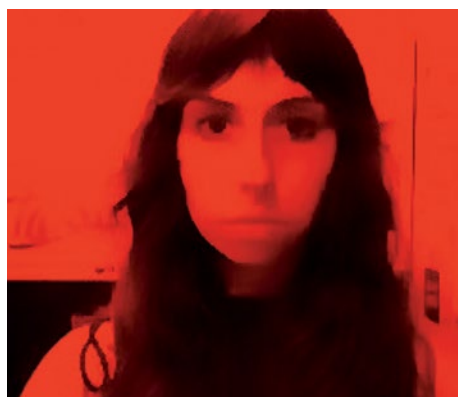

A native of Orlando, Florida **ILANA G** pursued her photography studies at Parsons School of Design in NYC, and has spent the past 12 years working in the photo industry as a photographer, photo editor, director, retoucher, and gallery manager. During her INKED tenure she has managed to obtain only one tattoo. Ilana helped found Fovea Exhibitions (foveaeditons.org) in Beacon, NY, and has also exhibited her work under the name "Promiscuous Girls" with Pam Weinstock throughout NYC. In her spare time G can be found singing or dancing on stage somewhere. lani0.tumblr.com

Born and raised in the hard streets of Flint, MI, **MAIA HARMS** immersed herself in the punk, skate, and snowboarding scenes. She found her passion in photography, documenting shows, skating, and snowboarding. She dreams of shooting an ad campaign strictly in film and Polaroid. She's a coffee addict, a fan of Instagram (@missharms), comic books, and video games. Harms splits her time between NY and LA, and has shot for *SPIN*, *Angeleno*, Refinery29, and Juicy Couture to name a few. maiaharms.com
