# CONTRIBUTORS

**VICTOR RODRIGUEZ** was born and raised in San Diego with a love for the unusual. During his upbringing Victor was always looking for a creative outlet and, after realizing that manual labor wasn't for him, he picked up a camera and moved to Los Angeles. The fruits of his journey both spiritually and location-wise can be seen in the following pages as he uses Krysta Kaos as his muse. When not photographing rad tattooed babes, he can be found stuffing his face, hanging out with cats, and watching bad horror movies.  
**victorrodriguezphoto.com.**

**ANDREA LAVEZZARO** is a Brazilian photographer based in Europe—often traveling around but spending most of her time in Berlin and London. She has been photographing tattooed ladies like her (and now inked guys too!) since 2005, while still living in São Paulo. With a self-published book out, she's already preparing for a second one which will showcase an even more mystic and provocative side of her work. Will cats be involved? Stay tuned.  
**lavezzaro.com, @lavezzaro, facebook.com/lavezzarophotography.**

**ERIC MORALES** is a Texas native, living in Austin, TX since the mid 1990s. Self-taught, he took up photography as a serious craft in 2009. Possessed by a quiet and powerful beauty, his portrait work is often described as raw and honest. His photo subjects range from Grammy Award-winning artists to the regulars at his favorite coffee shop. Morales spends time daydreaming by the beautiful San Marcos River, where he documents youth culture in a series entitled, "Neverland."  
**ericmorales.com, ericmoralesphotography.tumblr.com.**

**SARAH PARDINI** has a love affair with tatoos, light, and mood. Born in Colorado, raised on Maui, and having lived for a time surrounded by the redwoods of Northern California, her photography is inspired by the natural beauty surrounding her. She began modeling (@venuslovesyou) and photography professionally at 18, and currently living in Portland, Oregon, she travels anywhere her camera takes her.  
**pardiniphoto.com, @pardiniphoto, sarahpardini@live.com**

**ANJELICA JARDIEL** grew up in California and moved to New York City to grab her dreams by the balls. She's passionate about strong characters, bold hues, and being in the right place at the right time. Her photography is filled with colorful, quirky subjects who make her world a more interesting place. She shoots like crazy, dances constantly, and consumes too much sugar. Jardiel lives a delicious life and laughs a lot. Her motto: "Art is Life. Life is Art."  
**anjelicajardiel.com**

**JENNIFER ERICKSON** is a Los Angeles-based photographer who splits her time between shooting beautiful, alternative girls and commercial fashion looks. Her aim is to combine art and fashion with her funky, colorful style creating unique, dynamic photos. Each image tells a story, catching a moment in time, to lead the viewer into another world. Published internationally, her work has been featured in a wide range of publications from covers and advertising, to editorial spreads.
