KAREEM BLACK Upon his graduation from the School of Visual Arts, New York-based photographer Kareem Black went straight into shooting for *Fader*, *GQ*, *Elle Girl*, Sony Music Entertainment and Atlantic Records. He was featured as one of *Photo District News*' 30 Emerging Photographers in 2005, and soon became the go-to-lens-man for Reebok, Complex and Steve Madden. More recently, he shot a cover and an editorial for *Vibe* magazine's 20th Anniversary Collector's Issue. He thrives on capturing high energy off moments. kareemblack.com

NICOLA ALLEGRI Has been a freelance photographer since 2002. Based in Milan, Italy, he has been published in the pages of the most important Italian magazines. His subjects are musicians, writers, actors, athletes, models, scientists and common people. In the past few years he has made reportages in a variety of countries such as Rwanda, Germany and Burundi and spent days with Dario Fo, the Nobel Prize winner in literature, and crossed the Atlantic Ocean on a catamaran with his camera, of course. nicolaallegri.com

JAKE RAYNOR is a 29 year-old photographer who sees the world through his own lens. He studied, trained and honed his talent in his home state of Virginia, where he first picked up a camera at the age of 13. Experienced and highly versatile, Raynor has created a dark and edgy, but pure and innocent style of photographic art. He moved from Virginia to New York City in 2011. He has been internationally published, and has won several awards for his photography. He now shoots out of his studio in Brooklyn. jakeraynorphotography.com

HUGO VELAZQUEZ is a freelance photographer and runs Hugo V Photography. Being intrigued by creativity since childhood, Velazquez now actually gets to create his own artwork through the lens. Currently specializing in alternative-glam-boudoir and tattooed photography, his work can be seen all over the world. By being open to new ideas and challenging projects, he keeps his passion going; always looking for a better shot than last. He believes there will never be a time when nothing else is left to capture with a camera. hugovphotography.com

RYAN GUZZETTA a native of Scottsdale, Arizona, got his start in photography as assistant to *Playboy* photographer Burce Ciarleglio. What's important,

Capture the good times,
Develop from the negatives*

*I ask you Christ of suffering
that should I suffer pain
I'll offer it for all my sins
and if perhaps he can me
I ask that I remember
the blood you shed for me*
