THE GOOD BOOK

Tattooing has reached a point of immense popularity far beyond what anyone may have predicted. People are becoming increasingly educated in their tattoo selections and as such, an ever-increasing number of those of virgin skin wish to arm themselves with as much knowledge as possible before embarking on their collector's journey.

The Tattoo Bible is the most comprehensive body of work for a prospective tattoo collector to date, providing an insider's view of the tattoo world to those looking in. Amongst its informative pages, it explores the roads and avenues an individual faces when deciding upon a piece of body art and offers thoughtful insight into every aspect of this, whilst providing a complete overview of the many genres available, all exquisitely illustrated with a selection of outstanding tattoos.

Education is paramount when it comes to making decisions that will echo through the hallways of one's life. *The Tattoo Bible* provides wisdom and a balanced perspective in a book by which you may live your tattooed life.
