THE POWER OF THREE

Our investigation into pop-culture tattoos is now complete—and we're bundling all three books together for the great price of **£19.99**—that's a **saving of 15%** on the RRP—grab yourself a complete collection while it's hot!

Pages shown from *The Best Horror Tattoos* and *The Best Comic Book Tattoos*.

In *The Best Horror Tattoos*, we've got Paul Booth, Liorcifer, Leigh Oldcorn and Mike Moses alongside features on Vincent Price, Clive Barker, Stephen King and other luminaries important enough for people to get tattooed. Also hosting great art features from the likes of Brian Ewing, it's a guaranteed 164 pages of blood, sweat and tears.

In *The Best Science Fiction Tattoos*, we've got artists such as Chris Jones, Mark Poole and Josh Bodwell talking about their obsessions alongside of some crazy stories about things like H.G. Wells, Back to the Future, Doctor Who and all other time and space figurations we could find! 164 light years of excellence at your fingertips!

In *The Best Comic Book Tattoos*, we've got Cecil Porter, Mike DeVries and Chris Harrison clashing heads with industry big shots such as Timothy Bradstreet and Jim Mahfood proving that there's more than meets the eye when it comes to comic books. It's another 164 pages of masked mayhem to get your teeth into!
